

Remarks

The applicants have discovered typographical discrepancies during a review of the application and requests that these amendments be entered to correct these minor formalities prior to issue as allowed by 37 C.F.R. § 1.312.

Specification

The applicants have amended the specification as described above to correct typographical errors. The applicants submit that these amendments do not add new matter or change the scope of the patent application in any manner, and request that they be entered prior to patent issue.

Claims

The applicants have amended claims 8 and 15 to correct typographical errors. The applicants submit that these amendments do not add new matter or change the scope of the claims of the patent application in any manner, and request that they be entered prior to patent issue.

CONCLUSION

In view of the foregoing amendments, the applicants respectfully request that the amendments made to the present application be entered prior to patent issue, as allowed by 37 C.F.R. § 1.312. If the Examiner has any questions or comments concerning this matter, the Examiner is invited to contact the applicants' undersigned attorney at the number below.

Respectfully submitted,
